# CAPABILITY STATEMENT

STRATEGY • INFRASTRUCTURE • QUALITY

**We build organizations capable of lasting generations—from strategy and systems to implementation and measurable community impact.**

## ABOUT SIQ AGENCY

SIQ Agency LLC is a strategic consulting and implementation partner equipped to help government agencies, municipalities, nonprofit organizations, and community-serving institutions turn complex priorities into structured, measurable, and sustainable results. We integrate business consulting, project management, organizational development, and stakeholder engagement to strengthen operations, coordinate diverse interests, and move high-impact initiatives from vision through execution. SIQ Agency is distinguished by its ability to connect strategy, infrastructure, and community insight—making us a strong partner for public-sector projects requiring thoughtful leadership, disciplined implementation, and lasting impact.

## CORE COMPETENCIES

### 01 Strategic Planning and Advisory

Organizational assessments, strategic planning, implementation roadmaps, executive advising, and action planning aligned with agency priorities.

### 02 Project and Program Management

Project planning, scheduling, stakeholder coordination, risk management, performance tracking, reporting, and implementation oversight.

### 03 Organizational Development and Operational Infrastructure

Governance structures, operating procedures, workflow development, role clarification, process improvement, and performance systems.

### 04 Community and Stakeholder Engagement

Community outreach, public meetings, listening sessions, surveys, stakeholder mapping, partnerships, and communication strategies.

### 05 Program Design Implementation and Evaluation

Community and workforce program development, launch coordination, resource alignment, outcome evaluation, and sustainability planning.

### 06 Training Facilitation and Capacity Building

Customized workshops, leadership development, professional education, meeting facilitation, technical assistance, and capacity building.
